

Dear parents,

July 2019

We wish you all a fabulous summer holiday and look forward to seeing you all in the new term!

This half term the children have enjoyed developing their shelter building skills in the woodland area and water activities outside. Along with the popular art and craft activities and our many sports and board games we play.

In the new term we are planning activities that make use of our new resources! Developing our outdoor skills navigating, tracking and tying knots. Along with introducing dance and drama experiences!

SUNCREAM and HATS

In hot weather we ask that your child has a hat when playing outside at Pioneers. We do have our own baseball hats they can borrow and sun cream! On your registration form there was a tick box allowing your child to use our sun cream, if this has changed please let us know.

WATER PLAY

Each year we have chosen, on particularly hot days, to have water fun on the field and if your child would like to join in we will ask them! (After the event they then change into their P.E. or spare clothes).

NEW RESOURCES

Tail balls, air hockey, rounders set , shelter building resources and craft resources.

NEW GATE PROCEDURES

We will open the gate as and when your child arrives for breakfast club and it will be locked when you go. To encourage your child to be independent we will collect your child at the gate.

The gate in the afternoon will be locked at 3.15 and reopened at 4.00 and relocked at 4.15. If you arrive to collect your child at different times please use the Pioneers door bell, to the left of the schools front door. We can hear the bell in the Think Tank and will come and open the gate for you. To make things easier we will take your child with their belongings to you at the gate.

Unfortunately we are unable to hear the bell on the field, so will take out the club mobile and regularly check to see if you have arrived, please be patient!
